Bus Conduct and Policy (JFCC, JFCC-AP)

Transportation is provided by Durham School Services. Marvin Williams is the district coordinator. Any questions concerning transportation should be directed to (573)491-9933, or their office located across the street from the elementary building. The New Bloomfield R-111 school district has a measure of responsibility in training pupils to be good passengers and to observe certain rules for good discipline and safety. The following regulations for pupil safety will serve as a guide. See page 27, consequences for bus misconduct.

- Regular schedules must be observed. The bus cannot wait for tardy passengers. Please be on time.
- Students must be at the designated loading point BEFORE bus arrival time. Parents and students will be notified of the approximate pick-up time.
- Students must observe driver's instructions at all times.
- Students must wait for the bus at their designated stop. Never stand by the roadway. A student who must cross the roadway to board and/or depart from the bus shall pass in front of the bus no closer than ten (10) feet, look in both directions and proceed to cross the roadway only on signal from the driver. NEVER CROSS BEHIND THE BUS,
- A student will depart from the bus at the designated point unless written permission to get off at a different scheduled point is given to the driver by the parent/guardian or school personnel. The building secretary will complete the permission notice.
- All students shall be received and discharged through the right entrance door. EMERGENCY DOOR IS FOREMERGENCY USE ONLY.
- Students riding an alternative bus must first receive approval from the building office. Upon approval, a parent/guardian must send a written note to the building administration stating the -alternate bus number and the address where the student will be departing the bus. ONLY one extra child may ride with student per day. (If more students will be going home with a student, then alternate arrangements need to be made.)
- Video cameras may be on your child's bus without prior notification.

STUDENT PROCEDURES WHILE LOADING/UNLOADING AND RIDING THE BUS AND/OR AT BUS STOP

- The administration, with driver input, will assign seats to all riders. Such assignment will be designated by youngest students in the front to oldest students seated in the back. Students must remain in the assigned seats for duration of the ride. All seat assignments must have the prior approval of the administration unless an unsafe situation occurs in route.
- Students shall remain in a normal forward facing position with feet and hands out of the aisle while the bus is in motion.
- Book bags and other belongings shall be kept out of the aisles. (STATE LAW)
- Permission to open windows must be obtained from the driver. All articles and objects shall remain within the walls of the bus until the student departs. NEVER EXTEND ANY PORTION OF YOUR BODY OUT BUS WINDOWS. (STATE LAW)
- Waste containers are provided on all buses for use by the riders. Putting trash on the floor of the bus is prohibited.
- Quiet talk and subdued laughter will help prevent the diversion of the driver's attention, thus averting the possibility of an unnecessary and serious accident.
- A student who damages seats or other equipment will be expected to pay the cost for repair and/or replacement.
- Throwing objects, standing while the bus is moving, putting trash on the floor, placing any part of the body out of windows, scuffling, loud talking, screaming, and shouting are examples of inappropriate behavior on the bus, and will not be permitted.
- Respectful communications among riders and driver shall be observed at all times.
- Animals, glass containers, and balloons are not permitted on the bus.
- Students must refrain from sexual and other forms of harassment. This is defined as behavior and/or words that are sexual or demeaning in nature and are unwelcome, intimidating, and make another person uncomfortable.
- The use of tobacco products of any kind is prohibited.
- Profanity will not be tolerated.
- Eating and drinking, with the exception of suckers, will be allowed. Driver and administration may revoke the privilege for any inappropriate behaviors with food and drink.

In case of bad weather, the Superintendent of schools will decide whether or not it is safe to run a route or any part of it. Please refer to page 14 of this handbook for ways of finding out about cancellations.

Dear Parents/Guardians,

The mission of the Health Services Department at New Bloomfield is to ensure that students are healthy while in the school buildings so they can learn to the best of their abilities. The school district shall be responsible for the appropriate handling of injuries and sudden illness occurring at school, on school property, or during school-sponsored events. To best serve your child and any health care needs he/she may have, please fill out the **School Nurse Health Card** for each child attending school in the district, which can be found in the registration packet, or in the “Forms” tab of the school website’s wellness page. This includes basic personal information about the student, any health concerns or diagnoses, daily medications, allergies, etc. *You will also be required to provide emergency contact information* should the district need to reach you during the school day. Finally, *please read the school’s policy on medication administration*, found on our website’s wellness page, and sign the permission slip if you would like your child to be given over the counter medications for minor ailments that occur during school hours. *If your child has a chronic condition* that requires more thorough monitoring and/or intervention, such as Asthma, diabetes, seizures, food allergies, etc, there will be additional forms to be filled out. These can also be found in the “Forms” tab of the website’s wellness page.

Please contact the district nurse for any additional concerns or questions you may have.
